The President Of the NSSC Club, Eddie Hayes, personally came out to run the line. He did a knock out job. He literally took a spill and knocked himself unconscious for a couple minutes. Thankfully he is OK. His wife said he would have been badly hurt if he had hit something other than his head. Thank you to EB Alston for stepping up and running the line for the remainder of the day.

We got a late start due to the targets not working on Saturday. NG Maintenance has located and corrected the problem. We don't expect this problem to reoccur this year. Due to this delay and the delay due to Eddie's mishap, we had to reduce the 800 Agg to a 600 Agg. Thanks to all the shooters for their understanding.

Weather on Saturday was low to mid 60s with high humidity. But thankfully, it did not rain. Sunday was Sunny and cool. It never got much above 50 and the wind made it chilly. Did anyone notice the bank of snow that was still in the pits? Thanks to Pete Hodges for the hot dogs and all the garnishes. Those famished target pullers really enjoyed them in the cold, wet pits.

Sorry for all the mud on the range. Let's hope for some dry weather so the range can dry out for our next match on March 25-26 - NSSC Long Range Championship.

Found on the Range: Leather pencil and calculator holder was found on the road.

Hat #21 Winner G Diefenderfer

Congratulations to all our winners.

Thanks to all those that came to our Long Range Championship. We had 78 competitors on Saturday and 59 competitors on Sunday. This was our best turnout for a March match. The weather was almost perfect. A sunny 70 degrees with a challenging puffy wind out of the South-east. Norm Crawford proved why he is on the US Palma team with his great score that almost tied Kent Reeve's 1996 record of 598-40x. A big thanks to Carl Kovalchik for furnishing 10 pounds of IMR powder on behalf of IMR. Congratulations to each of the Class winners MK to HM for each winning 2 pounds of powder.

Also, congratulations to the "Wooden Dollar" Award winners for an X on their 1st sighter. They are A.C. Webster, Carl Kovalchik, Corbin Shell, Kent Reeve, Don Eason, Steve June, Dave Whitford, Tom Echols, Len Tower, Kris Meyer, Tim Mahan (twice), John Teachey, John Amber, and Jim Hicks. Thank you Pete Hodges for the beautiful plaque presented to Norm Crawford, the Match winner.

"Top Gun" Hat #22 was won by A.C. Webster. Good shooting A.C. Winning a NSSC "Top Gun" hat is better than winning a Leg medal. If you find any discrepancies in this results bulletin, contact Pete LaBerge (919) 387-8799 or plaberge@mindspring.com. The barbecue chicken, beans, and cole slaw were delicious. There was food left over at the end.

Lost & Found: A CP&L windbreaker was left in the target shack. Contact Pete Hodges.

Our next match is the NRA High Power Regional on April 29-30 with a 1000 pt Agg, Team Match, and EIC Match. Tell all your shooting friends and see you there.

It looks like it was a great weekend for everyone. The rain danced around us on Saturday until it spoiled the last 600 yd match. I don't think anyone got too wet. We apologize for having to throw away those good 600 yd scores for those of you who got to shoot the last match. The temperature was perfect, mild, around 70. Sunday was sunny. The wind was mostly from 12 o'clock with a few gusts and switches that made standing and 600 yds somewhat of a challenge. We had 94 competitors on Saturday. 15 teams and 60 EIC competitors of which 6 are distinguished on Sunday. A great turnout. We would like again to thank Sherri Adams for the great work she did with the stats. It is nice to know accurate match results by the end of the day.

NSSC Top Gun Hat #22 winner was Jon Howell with his fine score of 199-5x at 300 yd rapid fire. Congratulations Jon. Remember, a person can only win one Top Gun Hat in their life. This is better than getting distinguished. The rules to get a hat is we start with 1st place in the Grand Agg. If that person has a hat, we go to 1st place at 600 yd, then 300yd, etc. If we don't have a winner by the time we get to match 1, we go back to 2nd place in the Grand Agg and repeat the process. This continues until there is a winner.

Our next match is the North Carolina High Power State Championship on May 13 - 14. It will be a 1000 pt aggregate on Saturday. A 4-man, 50 shot per man, team match and another EIC match on Sunday. Let's hope for dry weather to dry out the range.

We will see you and your friends there!

Hot! Hot! and Hot! That sums up Saturday's weather. I guess we knew when to give out the NSSC towels. The weatherman said it was 95 degrees, but it felt much hotter with very little breeze. I think it was more like 110 on the mat. All of Pete Hodges Tea was gone by 5:00 pm. And the hamburgers were gone shortly after. Pete knows how to make a match good! Sunday was a very pleasant 80 degrees. Perfect shooting weather. Sunny and very little wind. We gave out about 15 wooden dollars this weekend. Congratulations to all the winners. We had 77 competitors on Saturday. 8 teams and 39 EIC competitors of which 2 were distinguished on Sunday. A great turnout. We would like again to thank Sherri Adams for the great work she did with the stats. It is nice to know accurate match results by the end of the day.

NSSC Top Gun Hat #24 winner was Charles "Yankee" Foley with his fine score of 199-10x at 600 yd slow fire. Congratulations Chuck. Remember, a person can only win one Top Gun Hat in their life. This is better than getting distinguished. The rules to get a hat is we start with 1st place in the Grand Agg. If that person has a hat, we go to 1st place at 600 yd, then 300yd, etc. If we don't have a winner by the time we get to match 1, we go back to 2nd place in the Grand Agg and repeat the process. This continues until there is a winner.

Our next match is the NRA Long Range Regional on June 24 - 25. It will be a 1000 pt aggregate at 1000yds with a 4-man Team match.

You have ten chances at winning a wooden dollar. You might even win 10 of them. We will see you and your friends there!

If you find any errors in this bulletin, please call Pete LaBerge at (919) 543-6276 or plaberge@nc.rr.com.

LOST: 2 Range radios came up missing on Saturday. If you happened to pick up these radios by accident, Please call Pete Hodges at (919) 467-9727 or Xat9@aol.com. Thanks!

HOT! HOT! HOT! best describes the weekend of shooting. The temperature reached 93 in the shade both days with high humidity. Congratulations to all you shooters who were able to stick with it and endure the heat. I am sure you will all need a few days to recover. Winds were switching quite rapidly as the day progressed and between the heat and the wind, the scores were lower than average.

Jon Howell won the gold and set a new range record for the 1000yd regional course with a 990-45x. Great shooting Jon. Jon received the 1st Pete Hodges Screw-U award. Thanks Pete for putting the time and effort in making these awards. Lindsay Barnes won the cute wooden clock that Pete made for being high woman. OK, so she was the only woman! She still shot great...she won 1st Expert. Norm Crawford took the silver with his 986 and Corbin Shell followed to take the Bronze. Our Top-Gun hat award (Hat # 25) goes to John Updike with his Open Win in Match #3. Way to go John!

There were 9 shooters who shot legal Palma rifles with Bert Rollins leading the pack. But since he is already a Palma team member, the Palma leg falls to the next highest Palma shooter which was Pete LaBerge.

We had 8 competitors who shot with a service rifle and Chris Roberts was high with his fine 917.

We had 59 competitors on Saturday and 58 on Sunday. People came from as far as Miami Florida, Stan Ellis from Columbus, Ga, and several shooters from South Carolina. The Mixed Nuts came down from Maryland, Delaware, Pennsylvania, and Virginia to train for Camp Perry. They shot a great score of 783 to win the team match. Y'all are always welcome at Camp Butner. As the saying goes, "If you can win at Butner, you can win anywhere".

Thanks again to Pete Hodges for providing Hot Dogs with all the fixins and the Iced Tea. I think a great time was had by all!

If you find any errors in this bulletin, please contact Pete LaBerge plaberge@nc.rr.com.

What a great weekend for shooting. Except for a small shower during relays 3 and 4 rapid fire at 300yds (Sorry Nick), the weather was perfect for shooting. Low 70s and overcast. Camp Perry weather. We had 52 competitors on Saturday and 36 competitors on Sunday.

We had a good variety of shooters from three Senior competitors to ten Junior competitors. Jacob Nichols was our youngest competitor at 11 years old. Thanks to Dave McFarling and Blair Clowdis for donating so much of their time to our sports future. Also a great thanks to all the competitors who donated funds to the North Carolina Junior Program. Several hundred dollars were collected (Thanks John Anderson) and this will help our Juniors be a success at Camp Perry this year. Good luck at Camp Perry to the Juniors and all competitors going to Camp Perry. I believe it will be a great year for North Carolina!

Our Top Gun hat winners for the weekend were Eric Sossoman with his 196-2x standing on Saturday, and junior shooter John Teachey with his 193-4x standing on Sunday. Congratulations to Eric and John. You can only win one NSSC Top Gun hat. It is better than being distinguished!

Lost on the Range at a previous match: Dewey and Verplex cleaning rods that were tied together. If anyone picked these up, please contact Pete LaBerge plaberge@nc.rr.com or plaberge@us.ibm.com and he will see that they get returned to the owner.

Also contact Pete LaBerge for any errors found in this bulletin.

We were rained out on Saturday. It was too bad since we had one shooter who came all the way from Massachusetts. Sunday was sunny and quite humid. We only had 17 prone shooters show up but it allowed us to have pullers for every target. Due to fog, we didn't get started until 10 am. But we finished by 4 pm. Everyone had a great time. Check out Carla Kennedy's scores for her 1st time. And that 195 at 1000 yds was with a .223. Carla is our Top Gun hat #29 winner. Did someone forget to tell Carla that this is supposed to be hard? Great job Carla! Hope you come back again.

What a great weekend! The weather was perfect. Sunny in the high 70s with a very light wind. We apologize for having to cancel Match #4 on Saturday. There was a fire in the impact area caused by some machine gunners shooting tracers. We had to stop shooting so that the fire trucks could go into the area to put out the fire. There were two new range records set on Saturday. Andy Amber shot a 200-20x in F-Class and then shot 4 more x's before shooting a 10. And Norman Crawford shot a 200-18x with his Palma gun. Great shooting! We thank Pete Hodges for having hot-dogs for the competitors with chile, onions, cole slaw, and all the fixins. Way to go Pete. Our Top Gun Hat winners this month were Andy Amber for his 200-24x on Saturday and Bert Rollins with a fine 200-14x on Sunday. We have our proposed schedule for 2001 on our website at <http://xat9.homestead.com>. Take a look at it. We will finalize it at our club cookout on December 9th. We will see you at our final rifle match on November 18-19, 2000.

The last match of the season was a unique experience. Some have referred to it as the "Foul Weather Match". It was all of that and more. Saturday was overcast and cold in the mid 40's. Kent Reeve and Pete LaBerge battled it out to the last shot with Kent coming out ahead by X's. Kent also set a new range record at 200 yard rapid fire with a 200 - 17x. That's one way to keep warm. Awesome shooting Kent! That p-pink rifle really shoots.

Our Top Gun Hat winner this month was Mike Luper shooting a 193 - 7x standing. Mike is our 32nd Top Gun Hat winner. A person can only win one Top Gun Hat. It is better than being distinguished...Well, Almost! Congratulations Mike!

Sunday started out about the same as Saturday with a little more wind and a little colder. That was until the sky opened up and huge snow flakes started falling when we started shooting at 1000 yards. The snow fell so hard that we couldn't even see the targets anymore. But that didn't stop those die-hard F-class shooters. They stuck with it to the end. They couldn't tell where they were hitting and the pit pullers had to keep score. They each kept shooting until they had 20 shots for record. Andy Amber still fired a 193 - 3x without knowing where the shots were going.

Pete Hodges took some great pictures and we will post them on our internet site as soon as he gets them developed.

NSSC would like to thank all the competitors, target pullers, and volunteers helping run the matches for the greatest year we have ever had. Next year is going to even be better!

Have a good Thanksgiving, Christmas, and New Year and we will see you at our first 2001 match in February.
