Dear Sir or Madame:

Coastal Carolina Rifle Club (CCRC) would like to have you sponsor one of the matches during our May 22-23, 2010 (Hathcock 308 Challenge Match).

Competitive rifle shooting has been conducted for many years at the USMC Rifle Range at Stone Bay, NC. However from 2002 to 2008, the club that conducted the matches was no longer able to function. Wanting to continue with competitive shooting and utilize the 1000 Yard Range at Stone Bay, several civilian competitive shooters formed the CCRC. We have conducted matches during 2009. The USMC has seen fit to refurbish Hathcock 1000 Yard Range. They have installed new target carriers, number boards, and numerous other improvements that will allow for this range to be used once again for competition. The range was named for Carlos Hathcock, a decorated USMC Marine Sniper.

The club has decided to hold a long range match, honoring Carlos Hathcock's contribution to competitive shooting and renewal of competition on the range dedicated and named for him. Lt. Col. Robert Smullen, CO of Weapons Training Battalion at Stone Bay has offered us his complete support for this match. The Hathcock 308 Challenge Match should bring in many of the very best prone, Service Rifle and F-Class shooters.

Therefore, we would like to invite you to be a part of this renewed competition. We are in need of merchandise for awards. If you or your company would like to be a part of this, please forward any awards to me. We will advertise any awards or sponsors in our match bulletin.

Thank you for your assistance.

Sincerely,
COASTAL CAROLINA RIFLE CLUB
